

WAVE SOLO OUTDOOR

The Wave Solo Outdoor is a 'build to suit' solution and is optimally suited for high traffic, outdoor locations in parks, picnic areas, hotels and schools. Its durable construction is designed to hold strength in challenging weather conditions and environments. Featuring a heavy duty removable liner, recycled lumber for weight and stability, a washable surface and hinged lid. This easy to empty and maintain bin is efficient both for both user and employee.

Capacity	Height	Width	Depth	Weight
40 Gallons	42"	24.25"	22.5"	54 lbs
